

Hello Paradise Little League Community!

2025 Spring registration has opened and before we know it, kids will be marching onto the field for Opening Day of Paradise Little League's 72nd season!

For generations, PLL has depended on community sponsors and volunteers to create the magic that is Little League for tens of thousands of Ridge youth. Having inadequate athletic facilities is not an anomaly for the Ridge, but as our community continues to (re)grow, our space to play is becoming ever tighter. In response, and in addition to rebuilding and repairing after the fire, PLL, with your support, built a Tee Ball/Farm field in 2022 and completed a 4-lane multi-use batting cage in 2024. At PLL, teamwork isn't limited to the game. We aren't afraid to dream big, because we know that together, big things are possible. In addition to making some needed repairs and improvements, our goals for this and coming seasons include lighting Egleson Complex, and building a brand new field. We can do it, but not without your help. Not without *our team*.

Paradise Little League is a 501(c)(3) nonprofit organization, 100% run by volunteers, so you can rest assured that any level of sponsorship or donation will be used entirely for the benefit of the League. If you have questions about sponsoring or you'd like to help Paradise Little League in a way we haven't thought of yet, please contact us at sponsor@paradiselittleleague.org. Our Board of Directors is committed to acting in the best interest of our players and the League and operates in full fiscal transparency.

Thank you for supporting Paradise Little League. We can't wait to PLAY BALL!!

Elizabeth Brewster

2025 SPONSORSHIP OPPORTUNITIES

MVP Sponsors

Our MVP Sponsors are the drivers of our Big Dreams! This year, we are doing our MVP Sponsorships a little differently and focusing entirely on facilities. MVP Sponsors will be recognized with a prominent sign, plaque, or banner at the field and promotion on Social Media. Below is a list of renovations, improvements, and services that would enhance our player, volunteer, and community experience at the ballpark. Sponsors can fund, fundraise for, or donate their professional services to complete these projects. If you want to talk about how your business or organization can make a big impact for generations of Ridge kids, please get in touch. Let's do big things together!

- **Playground Sponsor** – Help make our Egleson Complex more family friendly with a playground!
- **Scorebooth Sponsor** – The scorebooth on Egleson Field has seen better days. With the floor, roof, and everything in between showing signs of dry rot, this will be a near full replacement job.
- **Dugout/Bullpen Sponsor** - Our dugouts and bullpens need some love (and some shade!) Depending on the field, this project may include moving/replacing fencing and benches, installing gates, grading the dirt or adding a cement floor, installing pitching rubbers and plates, removing gravel and creating a barrier to keep it out, and installing a permanent shade solution.
- **Pest Control Sponsor - Thank you Hunter's Services!**
- **Weed Abatement Sponsor - Thank you Crossfire Tree & Vegetation Services!**
- **Tree Care Sponsor - Thank you All Things Trees!**
