

"Unless someone like you cares a whole awful lot, nothing is going to get better. It's not." – Dr. Seuss

Paradise Little League is a 100% volunteer-run 501(c)(3) nonprofit organization. We strive to provide Ridge youth with a fun and safe program where they can learn not just to be great athletes, but great citizens. We believe that every minute invested in our kids is time well spent, and that is why our managers, coaches, Board of Directors, and other regular volunteers dedicate hundreds of hours, year-round, to PLL. Unfortunately, however, year after year we are chronically short the volunteers we need to run the quality of program our kids deserve.

For the 2023 season, families must provide two volunteer hours per player, with a four hour family max. We understand that balancing family, work, school, and recreation can be challenging, so we will be providing many types and times of volunteer opportunities throughout the season. We will be collecting a \$100 deposit from each family (preferably in the form of a check), which will be voided and returned once all volunteer hours have been satisfied. Volunteer hours must be served or scheduled by 5/31/23 to avoid forfeiture of the deposit. Families who do not plan on fulfilling their required hours may pay the \$100 non-volunteer fee at the time of registration.

Some volunteer opportunities offered are:

- Facilities Maintenance/Construction/Repair
- Volunteer Field Work Days
- Snack Bar/Grill
- Special Events
- Umpires

We are also happy to work with you based on your interests and skills to find the right fit. Likewise, there are some families who already serve countless hours (managers, coaches, Board Members, regular volunteers) and will be exempt from the volunteer requirement.

We hope and encourage you to get involved in any and all ways possible. Neither our League nor our Community will ever reach its full potential unless we come together to build safe spaces for our kids (and yours!) to learn, play, and grow.

They Need YOU.
