

Hello Paradise Little League Community!

Our 2023 Spring Season registration has officially opened and we would like to invite *you* to be part of it!

PLL depends on community sponsors, charitable donations, and volunteers to create the magic that is Little League. Our Board of Directors has been busy working on several field and facilities improvements, as well as planning new infrastructure to serve our growing community, however we cannot do it without *you*! After a 100% increase in registration last season over 2021, and double the percentage of school age kids participating in our program now as did as pre-fire, we are bursting at the seams! That is why we are offering a variety of opportunities to support our growth so that we may continue to serve generations of Ridge youth, just like we have since 1953!

Paradise Little League believes that no community can reach its full potential without investing in its youth. It is this reason that we have recently secured endorsement from the Town of Paradise, Paradise Unified School District, and Magalia Community Park, who also believe in our mission to improve athletic opportunities for Ridge youth. This is also the reason that we had over 70 community sponsors last season and are asking for your support now.

If you're interested in seeing what we're working on right now and what we're planning in the future, please visit our website at paradiselittleleague.org or follow us on Facebook and Instagram @ParadiseLittleLeague.

Paradise Little League is a 501(c)(3) nonprofit organization, 100% run by volunteers, so you can rest assured that any level of sponsorship or donation will be used entirely for the benefit of the League. Our Board of Directors is committed to acting in the best interest of our players and operates in full fiscal transparency.

If you have questions about any of the sponsorship packages or you'd like to help Paradise Little League in a way we haven't thought of yet, please contact us at paradiselittleleagued47@gmail.com.

Thank you for supporting Paradise Little League. We can't wait to PLAY BALL!!
